

THALISERA LEADERSHIP PROFILE

# Bibek Chand

## Chief Executive Officer (CEO)

Detail-oriented Civil Engineer and visionary leader bringing technical precision, modern technological integration, and strategic governance to driving growth and efficiency across all operations at Thalisera.

---

## EXECUTIVE SUMMARY

Bibek Chand serves as the Chief Executive Officer (CEO) of **Thalisera**, bringing a robust background in civil engineering, project execution, and organizational leadership. With extensive expertise spanning structural design, detailed surveying, and comprehensive reporting across various infrastructure and hydroelectric projects, he combines technical rigor with forward-thinking market planning. As CEO, he leads the strategic vision, market positioning, and operational reporting of the company.

## CORE CEO RESPONSIBILITIES

### 1. Strategic Marketing & Growth

Directing market research, expanding service reach, and positioning Thalisera as an industry leader in modern engineering and infrastructure development.

### 2. Corporate Planning & Strategy

Formulating long-term operational roadmaps, project timelines, resource allocations, and sustainable growth plans for all company initiatives.

### 3. Executive Reporting & Transparency

Overseeing high-level technical and operational reporting, ensuring clear communication, data accuracy, performance evaluation, and compliance across all business units.

## ENGINEERING EXPERTISE & TECHNICAL BACKGROUND

- **Hydroelectric Project Surveying:** Strong technical background in conducting precise topographical, hydrological, and structural surveys for hydro projects.
- **Technical & Feasibility Reporting:** Specialized in crafting detailed technical reports, engineering assessments, project proposals, and feasibility studies.
- **Modern Technology & Market Awareness:** Deep understanding of cutting-edge civil engineering software, modern surveying tools, and evolving market trends to ensure efficient project delivery.

- **Infrastructure Development:** Comprehensive foundation in structural design, safe construction practices, and sustainable engineering techniques.

## STRATEGIC VISION

Under his executive direction, Thalisera focuses on integrating modern engineering software and smart surveying technologies into core operational workflows. By aligning strategic marketing, rigid project planning, and transparent reporting, Bibek Chand ensures the company consistently delivers safe, efficient, and sustainable infrastructure solutions.
