

Dipendra Bahadur Rana

MARKETING MANAGEMENT LEAD

Dipendra Bahadur Rana is an accomplished Nepalese professional with extensive expertise in construction project management, managerial leadership, and organizational administration. Over his distinguished career, he has played a pivotal role in leading and executing major operational and administrative functions across the hydropower and infrastructure development sectors.

With deep operational exposure in large-scale hydropower projects, Mr. Rana brings a strategic approach to project execution, institutional coordination, and cross-functional team administration. His comprehensive expertise encompasses administrative support, infrastructure development, and corporate operations.

Currently serving as the **Marketing Management Lead at Thalesera**, Mr. Rana oversees strategic marketing initiatives, brand development, and market expansion strategies. In addition to his leadership role, he is a dedicated shareholder in **Thalesera** as well as across the companies under the **Uma Group**.
